RESPONSE TO NOTICE TO FILE MISSING PARTS

Commissioner of Patents & Trademarks
Washington, D.C. 20231

In response to the "Notice to File Missing Parts of Nonprovisional Application" dated October 6, 2000, (copy attached), enclosed is a fully-executed "Declaration and Power of Attorney" form bearing the original signatures of the inventors of the subject application.

The Notice to File Missing Parts of Nonprovisional Application also indicates that an additional claim fee is due. The New Application Transmittal filed with the Application on May 18, 2001, contains a statement authorizing the Office to charge all filing fees and any additional fees to Deposit Account 19-1025. This response again confirms that the Office is authorized to charge all outstanding filing fees to Deposit Account 19-1025.

One matter relating to the fee calculation requires clarification. The post card receipt submitted to the Office lists a total of 647 claims for the application. The returned post card receipt contains a notation by the Office stating that only 58 claims were received. The application does contain only 58 numbered claims, but many of those claims are multiple dependent claims. Therefore, in accordance with 37 C.F.R. 1.75, a total of 647 claims were listed on the post card to take into account the use of multiple dependent claims.

Respectfully submitted,
